

Dear Scouters,

Every fall, we have our Race for 5 campaign for our packs. For those of you who are not aware, Race for 5 is a race for 5 more youth than the pack had last year at their highest point. For every pack that reaches 5 more youth than they had at their highest point last year, every scout in the pack receives a free Pinewood Derby Car from the council.

Below you will find a spreadsheet laying out all the information pertinent for your pack as you work on your fall recruitment.

Good luck to everyone and as you know if you have any question you can always contact me.

Yours in Scouting,

Paul Harmelin
